## Introduction

This document outlines the terms and conditions associated with the Solar Analytics “Lifetime Offer and Savings Guarantee” and contains information exclusively for Solar Analytics Resellers.

Importantly, please note that this document should be read in conjunction with the separate “Lifetime Offer and Savings Guarantee End User Terms and Conditions” document.

This offer is subject to revision from time to time and supersedes any previous related offers.

## The Offer

Solar Analytics offers several subscription services including the Lifetime Offer and Savings Guarantee (the “Lifetime Offer”).

The following Terms and Conditions apply to Resellers for our Lifetime Offer and Savings Guarantee:

1. Solar Analytics will publish a Recommended Retail Price for its subscription offers from time to time via our Price List.
2. Resellers can choose to
  - a. Pre-purchase Lifetime Offers with hardware from Solar Analytics on behalf of the end user, or,
  - b. Purchase at the time of commissioning via Credit Card on behalf of the end user, or
  - c. End users can purchase or renew existing subscriptions to Lifetime Offers directly with Solar Analytics via Credit Card
3. Solar Analytics will provide a Rebate of \$50 to Resellers on each Residential or Commercial Lifetime Offer and Savings Guarantee sale.
4. Where applicable, the Solar Analytics “2For1 Offer” may apply to Residential and Commercial Lifetime Offers in accordance with relevant Terms and Conditions. Lifetime Offers with 2For1 will attract a single Rebate
5. The Rebate offer applies to commissioned or purchased Lifetime Offers on Solar Analytics sites which include the Lifetime Offer and Savings Guarantee made between July 12<sup>th</sup>, 2018 and October 12<sup>th</sup>, 2018, unless advised otherwise.
6. Where end users renew existing subscriptions to Lifetime Offers a rebate shall only be payable if payment is made by the Reseller.
7. Rebates can be claimed as a cash payment via bank transfer or a credit against your account.
8. Rebates will be calculated by summing the quantity of applicable Lifetime Offers commissioned in the Solar Analytics Dashboard each calendar month. Rebates will be calculated and paid within two weeks of the new month.
